

## Roseland Park Birthday Book Club

Buying and donating a new hardcover book to the library is a great opportunity to celebrate reading and add to the collection of our fabulous library! Book donations can be made at *any time* and for *any occasion*.

Your gift book will have a special label placed inside the front cover, stating that it was given to our library in honor of your child. In addition, your child's picture will be taken with the book and will be in the library newsletter. A Birthday Book Club Celebration will be held at the end of the year in honor of all the students who donated books.

Here's how it works . . .

- Purchase a hardbound book from the Roseland Park wish-list on Amazon.com and ship it to Roseland Park Elementary, 1610 Gilcrease Ave.
- Or purchase a book on the list from a local bookstore.
- Your child will be the first student to check it out.

Our Amazon.com wish list:

- [Roseland Park Library Wish List](#)
- Browse through the wish list to make your purchase.
- After you add the book to your cart, be sure to check the box that says *this is a gift*. This is where you will let me know who the book is from.
- Complete the shipping directions.

If you have any questions, please contact Teresa Tretbar (ttretbar@pcu.k12.ms.us). What a great way to support our library and the importance of reading!
